

Equipamento Usado

Dados Gerais | Main Characteristics

Tipo Type	Grua Móvel AT
Marca Brand	Grove
Modelo Model	GMK3060L-1
Capacidade Capacity	60 ton
Lança Boom	48,00 m
Ano fabrico Year of manufacture	2021
Disponibilidade Availability	Imediata Now
Matrícula Driver's plate	Sim Yes
Certificação CE CE Certification	Sim Yes

Chassi | Carrier

Motor Engine	Cummins QSL9-C350
Transmissão Transmission	ZF
Sist. Direcção Drive System	6 x 6 x 6
Km & horas Milage & hours	1300Km / 55h
Pneus Tyres	16.00R25

Superestrutura | Superstructure

JIB Jib	15mt Hydr.
Guincho Hoist	1
Cadernais Hook Blocks	3 roldanas + bola
Horas de trab Working Hours	55h
Contra Peso Counter weight	Completo

Observações

Opcionais:

Grua Standard E5, com as seguintes opções adicionais:
 B006J 8.7m to 15 m bi-fold swingaway, hydraulically offset from 0° to 40°
 L010J 2 worklights, mounted on top of boom base section
 L011J Boom mounted aircraft warning light
 J20J Additional oil cooler for hydraulic system
 J021J Automatic centralised lubrication for the superstructure
 H026J 3 sheave hookblock with double hook and dead end
 H029J Single line headache ball
 J031J Fire extinguisher 6 kg
 J032J Stereo radio with bluetooth, USB and CD player
 J033J Air conditioning
 J036J Comfort seat
 J094J Turn table mounted stowage box
 G043J Six 445/95 R25 on/off highway radial tyres
 G051J 445/95 R25 spare wheel
 K058J 6 x 6 x 6 Drive/Steer
 K059J Electric driveline retarder
 K062J Outrigger length control
 K063J MAXbase
 M101J Electronic windows, central locking system,...
 K083J Rear Mounted Stowage box for rigging equipment
 R084J External starting outlet
